INDIVIDUAL COACHING

**LANGUAGE COACHING
FOR WORK AND EDUCATION**
(FOR GERMAN AND ENGLISH)

FINALLY SPEAKING CONFIDENTLY AT WORK

In professional, educational, or everyday settings, it is important to express oneself well both orally and in writing. This becomes even more crucial when you are aiming for professional development or seeking success in upcoming language exams. Benefit our personalized language coaching (for German and English) and select the modules that suit your needs. This allows you to enhance your language skills individually and in a practical context. It provides you with confidence and assists you in achieving your goals.

CONTENT OF THE COACHING

- 1** Assessment of linguistic competencies
- 2** Life Coaching – Overcoming restraints
- 3** Business language coaching
- 4** Learning specialized language and apply it confidently
- 5** Improving job opportunities through listening comprehension and pronunciation
- 6** Preparation for exam (Telc B1-C2)
- 7** Communication during the application process
